SCHOOL PROFILE

Located in Southern California, students who attend Grace Brethren can challenge themselves with more than 15 different Advanced Placement courses, an Engineering study track, along with extracurricular classes in arts and athletics.

FACILITIES

The 13-acre campus features state-of-the-art classrooms, science labs, and a large list of athletic facilities.

SPORTS AND ARTS

The school has top-level coaching offering strong sports teams in their athletic department. All students are welcome to join a team. State regulations in California can cause some restrictions for international students playing Varsity-level sports at their school. Please contact us for details.

The high school gives international students the opportunity to develop their interest in the arts with courses like 3D design, film production, leadership, and robotics.

AWARDS AND ACCOMPLISHMENTS

The Grace Brethren High School robotics team is currently ranked first in California and 20th in the world.

COMMUNITY INFORMATION
