## FACILITIES

Moreau Catholic's campus includes art studios, a dance studio, a theater, a newly renovated gym, a gallery, athletic facilities, a learning commons and an academic support center for tutoring and additional academic assistance. The school introduced two new spaces in fall of 2016: zSpace, a virtual reality science lab, and Design Studio, a classroom where students can apply scientific principles in an environment that promotes risk-taking and invention.

## SPORTS AND ARTS

Students compete against other top-notch schools year-round in the Mission Valley Athletic League. State regulations in California can cause some restrictions for international students playing Varsity-level sports at their school. Please contact us for details.

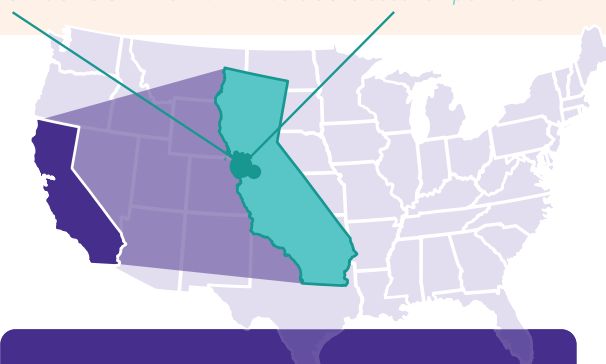

Moreau Catholic's ensembles regularly earn regional and national acclaim for their outstanding musical productions. Each year, students are accepted to the most prestigious collegiate arts programs in the country.
