Campus Facilities

The campus spans approximately 90 acres and includes academic buildings, science and technology labs, fine-arts spaces, athletic fields and gymnasiums. Boarding residences, communal lounges and dining facilities support the residential student experience. Outdoor trails and open grounds provide students opportunities for recreation and interaction in a structured environment that balances academic and extracurricular engagement.

Residential Life

Students live in well-maintained residence halls with shared or single rooms and community bathrooms. Dorms include lounges, kitchen access and study spaces supervised by residence life staff and prefects. Weekend programming, structured study halls and social activities foster independence and peer engagement in a supportive environment.

Athletics and Arts

Athletics are a core part of student life at Maur Hill – Mount Academy with teams competing in multiple seasons and leagues. The school emphasises physical fitness, team ethics and competitive readiness while supporting a variety of abilities and interests.

The arts programme enables students to engage in studio art, music, theatre production, photography and digital media. Campuses include rehearsal spaces, galleries and creative labs, supporting student exhibitions, performances and portfolios for university entry.
