### AN OUTSTANDING PRIVATE DAY SCHOOL LOCATED ON A STUNNING PENINSULA IN NORTH DUBLIN!

Sutton Park School is a private school located on the northside of Dublin, on the beautiful peninsula of Howth Head. The school was founded in 1957 by a group of leading local professional and business people as a co-educational and multi-denominational school.

The school strives to provide the maximum educational experience to support academic achievement and personal development, and its mission statement is "We nurture and develop the best qualities in each of our students." The school prepares students for entrance into the best universities in Ireland and abroad and last year 83% of final year students received their first preference university thanks to consistently high examination results.

The school's modern facilities include a full-size all-weather hockey pitch and hockey is the school's main sport. It is also famed for its choir which performs and competes publicly several times each year and is one of the school's most prized extra-curricular traditions. Approximately one third of all Sutton Park students are originally from other countries, contributing to an international school community with a characteristically Irish warmth and friendliness at its heart.

## DUBLIN

Dublin is a small capital city with a big reputation and is renowned for being one of the most lively and welcoming cities in the world! Youthful and cosmopolitan, it is the perfect location choice for international high school students who want to experience Irish life in an exciting fast-paced environment. With charming cobbled streets, quirky boutiques and world-class

attractions and museums, Dublin offers endless possibilities for fun and learning. It's also easy for students to explore outside the city, thanks to excellent transport connections both to the seaside and to other Irish cities. The city's beautiful eastern coastline is the perfect place to enjoy long walks, fish & chips and breathtaking views.
