EXCELLENT COLLEGE WITH A WIDE RANGE OF SUBJECTS - LOCATED IN THE POPULAR SEASIDE TOWN OF WORTHING!

Worthing College is a friendly place with a strong sense of purpose, where teaching, learning and student success are second to none. With over 60 courses available, the college is one of the most popular places to study in the Worthing area. Study programmes can include a mixture of A Levels and BTECs, offering a wide range of choice and flexibility. The modern college building is split into nine learning zones based on subjects, and each zone has its own independent study area where students spend their time deepening their learning between classes.

The college's dedicated teachers focus on the most up-to-date teaching and learning methods and this approach undoubtedly contributes to the college's outstanding academic results year after year.

Worthing College prides itself on its supportive atmosphere and it is a place where staff encourage students to embrace everything the college has to offer- meeting new friends, developing life skills, undertaking work experience and voluntary opportunities, and gaining experiences they will never forget. Thanks to this, students from Worthing College always stand out from the crowd when they progress on to university or employment.

WORTHING

Worthing is an inviting seaside town nestled between beautiful beach and countryside on the south coast of England. The town's stunning wide open prom allows space to breathe, to run, to cycle and enjoy views of the sea and the town's famous pier. Worthing is a happy collision of classic and contemporary; with one of the oldest working cinemas in the UK, cute cafés, art studios in beach huts, trendy boutiques and an Iron Age fort. The town also makes a perfect base for international high school students who want to explore the surrounding areas on the weekends. It's just 90 minutes from London Victoria by train or 30 minutes from Brighton, meaning students who choose to live in Worthing can have the ideal balance of getting to know their local area and also having easy access to top UK cities.

STEM, VISUAL ARTS, PERFORMING ARTS & SPORTS ACADEMIES

Worthing College offers a range of outstanding enrichment opportunities for students whose talents lie in STEM, Visual Arts, Performing Arts, Basketball, Football, Rugby or Netball. All of the college's Academies are designed to stretch and challenge students in their chosen field of study or development, outside the classroom. Students have the chance to receive extra coaching to develop their sporting, technical or performance skills, participate in exhibitions, workshops, projects and competitions, all while deepening their learning and broadening their horizons. The Academy model enriches a student's college experience both socially and in helping them to develop essential skills for life such as planning and organisation, communication, personal resilience and teamwork. It's also an excellent experience for students to add to their CV or personal statement for progression to employment or university.

WHY CHOOSE WORTHING COLLEGE?

EXCELLENT STUDENT SUPPORT

Each student at Worthing College is assigned their own Personal Tutor who provides them with excellent guidance and pastoral support throughout their stay, to ensure they are settling in and enjoying their studies. A specialist team is also on-hand to provide support for Year 13 students who are in the process of applying to universities.

STATE-OF-THE-ART FACILITIES

Worthing College is set within a gorgeous 18-acre parkland campus and boasts excellent facilities including fully-equipped classrooms and laboratories, floodlit netball and tennis courts, a rugby pitch, a fitness gym with 30 exercise machines, stunning outdoor

recreational spaces, a fabulous Theatre and Dance studio complex and several shops and cafés. Worthing students truly have access to everything they need to succeed.

TOP EXAMINATION RESULTS

Worthing College students consistently achieve top examination results and in 2019 the A Level pass rate was over 99%. Students have progressed to world-leading universities such as Oxford, Cambridge and Imperial College London - a testament to the expert teaching standards at this school.
