With the support of their community, at McDonell Catholic the faculty offer 15 sports to their student athletes to compete in. This variety allows them to provide students important life lessons. Teamwork, commitment, self-discipline and courage are traits McDonell athletes will carry into their future. Additionally, teams have been successful in recent years — the boy's basketball team won the WIAA state championship in 2016. In the arts, McDonell Catholic provides opportunities to participate in a number of fine arts disciplines, including unique offerings like ceramics, drafting, metal-working, and photography.
