Academic Excellence

Comstock Park High School offers a comprehensive curriculum that includes Advanced Placement courses, dual enrollment opportunities, and specialized technical programs through the Kent Career Technical Center. The curriculum emphasizes college and career preparation, with options in business, engineering, computer science, and health-related fields. Small class environments and a commitment to fostering “effective communicators, complex thinkers, and quality producers” shape student success. The Flex Academy provides additional online course options, ensuring students can personalize their academic pathways while meeting graduation requirements.

Student Accomplishments

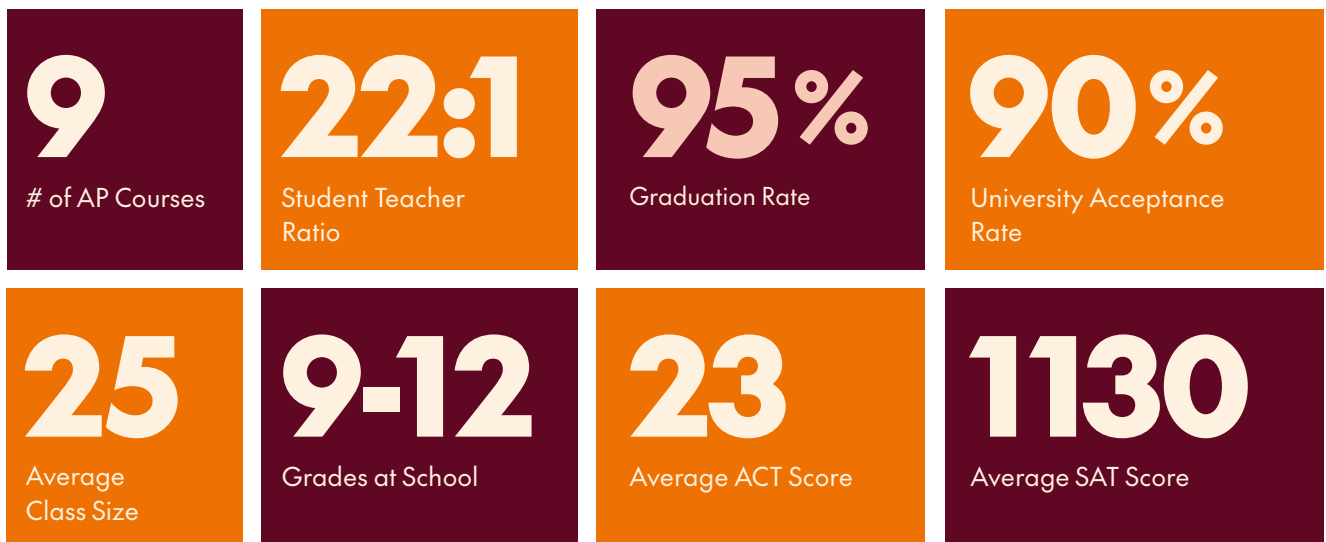

- Recognition in statewide arts & music competitions
- Regional achievements in football and soccer
- Students earning vocational certifications through Kent Career Technical Center
