Academic Excellence

Wyoming High School delivers a **comprehensive college-preparatory curriculum** designed to support student growth and readiness for higher education. With a 22:1 student-teacher ratio, educators provide focused instruction aligned with academic standards. Students can access Advanced Placement courses in core subjects, including English, statistics, computer science, and U.S. history. A key academic offering is the Wyoming Middle College program, which allows students to earn high school and community college credits simultaneously. This pathway supports early exposure to college coursework and strengthens long-term academic outcomes.

Student Accomplishments

- Multiple conference championships in basketball
- Student recognition in academic and arts competitions
- Achievements across athletics and performing arts programs
