SUPERB CATHOLIC GIRLS' SCHOOL WITH A STRONG TRADITION OF ACADEMIC EXCELLENCE!

St. Dominic's College is a traditional Catholic girls' school located in the Cabra area of Dublin, just a stone's throw from the famous Phoenix Park.

The school prides itself on a strong sense of community, believing that when students are happy their academic work, friendships and extra-curricular hobbies all fall into place. Great importance is therefore placed on the wellbeing of students and a strong pastoral care structure is in place including a care team and three Guidance Counsellors, ensuring there is always someone for students to talk to. St. Dominic's College students are supported by highly qualified teachers who provide a very high standard of teaching and encourage the girls to achieve their best through hard work and dedication.

A range of sports are facilitated after school from Monday-Friday and students are encouraged to form leadership teams to run whole-school events and chair the Student Council. The Eco Team is a group of students who dedicate themselves to improving the school environment through recycling, planting flowers on the school grounds and educating students and staff on environmental issues.

Where is St. Dominic's College?

Facts about Dublin

- Population: 554,000

DUBLIN

Dublin is a small capital city with a big reputation and is renowned for being one of the most lively and welcoming cities in the world! Youthful and cosmopolitan, it is the perfect location choice for international high school students who want to experience Irish life in an exciting fast-paced environment. With charming cobbled streets, quirky boutiques

and world-class attractions and museums, Dublin offers endless possibilities for fun and learning. It's also easy for students to explore outside the city, thanks to excellent transport connections both to the seaside and to other Irish cities. The city's beautiful eastern coastline is the perfect place to enjoy long walks, fish & chips and breathtaking views.
