ACADEMICALLY EXCELLENT GIRLS' SCHOOL LOCATED CLOSE TO THE CENTRE OF CORK CITY!

Christ King Girls' Secondary School is a contemporary school that builds on rich traditions of the past to provide girls with a quality, progressive and dynamic education which becomes a foundation for their future. The school strives for academic excellence through a comprehensive curriculum, while never losing sight of the individual- providing a modern education designed to support both achievements and challenges faced by girls who are learning in a global society.

The care of each student, in all aspects of her wellbeing and development, is a central tenet in the school philosophy. The school's pastoral structure revolves around the teaching staff, the Class Teacher, the Year Tutor and the Guidance Counsellor. The whole pastoral team works together to ensure that the welfare of every student and her progress in her studies are looked after.

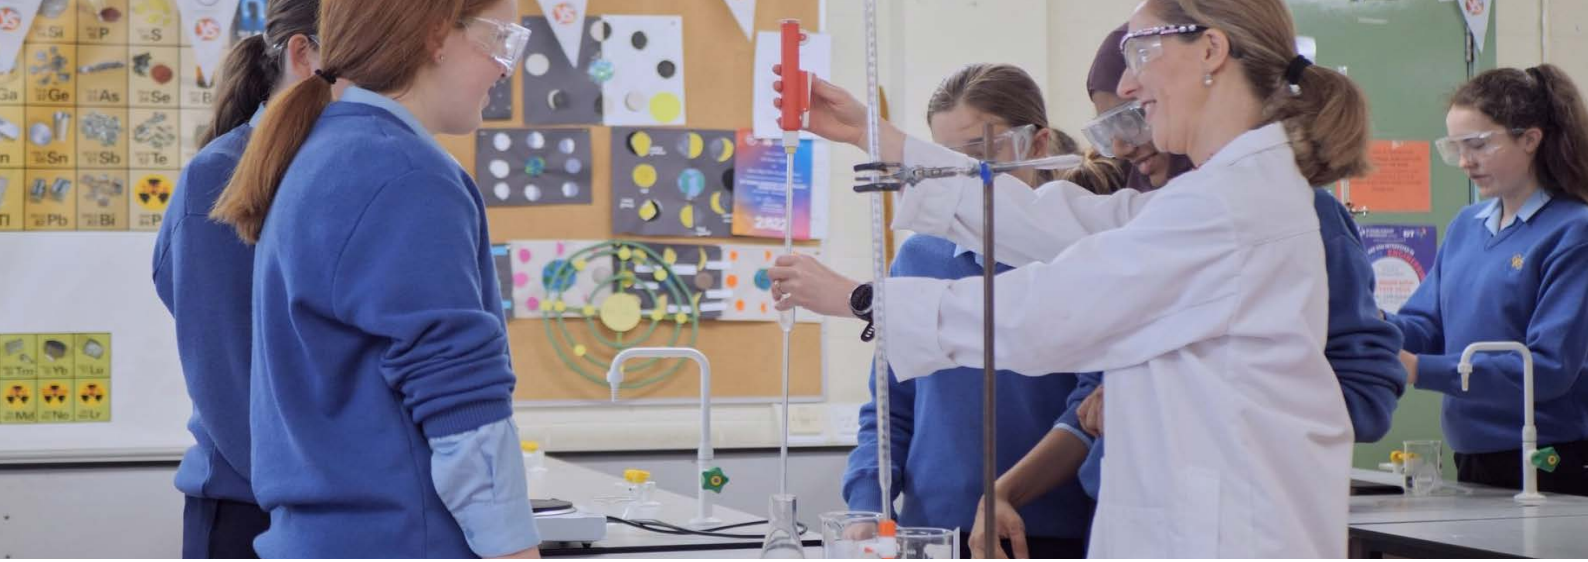

The Department of Education and Skills recognises that Christ King Girls' Secondary School exhibits an extremely positive learning atmosphere. Teacher-student interactions are warm, pleasant and respectful. Beyond the classroom, Christ King students have a wealth of sporting and extra-curricular options to keep them busy and allow them to make friends with ease.

CORK

Cork is Ireland's second largest city and boasts all the character, charm and excitement of the capital in a more compact setting. It is often referred to as 'the real capital of Ireland' by locals! Situated on the banks of the River Lee, the historic city centre offers fantastic cultural and shopping opportunities as well as lots of exciting things to do and places to explore. The city is truly the perfect blend of cosmopolitan city life and a traditional homely Irish atmosphere, making

it a hugely popular choice for international high school students. Beyond the city limits, students can explore the wider county of Cork- Ireland's biggest county. With its beautiful coastline, delicious food and picturesque colourful towns and villages, it's no wonder that the locals are fiercely proud of where they come from and are eager to welcome exchange students and introduce them to the Irish way of life.
