## Academic Excellence

Weymouth College offers academic and vocational study options for learners aged 16–18, including subjects in **science, humanities, technology, arts and social sciences**. Courses are delivered through specialist facilities that support practical and theory-based learning. Students benefit from experienced staff who provide guidance on subject choices, skills development and progression routes. Programmes include opportunities to build employability skills and prepare for further education pathways. The college supports learners aiming for university entry, apprenticeships or continued study after their time at Weymouth.

## Student Accomplishments

- Opportunities to join the National Citizen Service programme
- Development of employability and leadership skills
- Strong participation in arts, sports and community activities
- Pathways to further education and higher education institutions

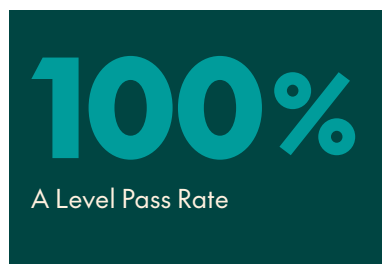

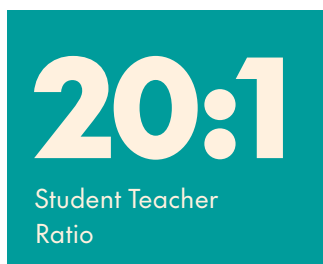

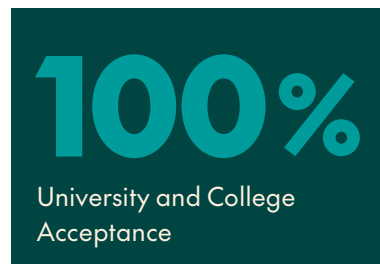

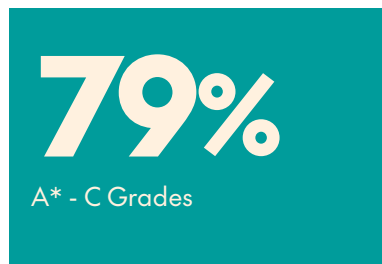

## Recent University Acceptances

- Exeter University
- Bournemouth University
- Durham University
- Southampton University
- Winchester University
- Reading University
- University of the West England
- University of Southampton
- University of Warwick
- University of York

## Stats

## Campus Facilities

The college campus includes specialist facilities supporting creative media production, engineering, music technology and applied science. Learners have access to **dedicated classrooms, workshops, practical training areas and digital learning resources**. Spaces for performing arts and visual arts support hands-on project work. The college is located close to Weymouth's beaches and waterfront, giving students access to outdoor recreation areas as part of their wider study environment.

## Life with local host families

International students stay with local host families arranged through Educatius. Accommodation includes **single or shared rooms, meals and daily supervision**. Host families provide a safe and supportive home environment where students can practise English and learn about local culture. Many homes are within reasonable travel distance of the college, and students receive ongoing support throughout their stay. Family First placement is available for eligible students.

## Athletics and Arts

Students can take part in a wide range of indoor and outdoor sports, including water-based activities on the local coastline. Training and participation are supported through specialist facilities and community partnerships.

Learners can explore creative subjects such as art, film, photography and music through studio-based practical work. Opportunities are available for students to develop skills and produce projects within dedicated creative spaces.

## Highlights

**Sports:** Aerobics, Archery, Badminton, Basketball, Canoeing, Dance, Football, Judo, Kayaking, Martial Arts, Orienteering, Pilates, Rock Climbing, Roller Hockey, Rugby, Sailing, Squash, Swimming, Table Tennis, Volleyball, Yoga

**Arts:** Art, Film, Photography and Music

**A Levels subjects:** English, Media Studies, Law, French, Mathematics, Biology, Chemistry, Physics, Psychology, Geography, History, Political Science, Sociology

**Languages offered:** French

**Tech and innovation courses:** Creative Media Production, Engineering, Music Technology, Applied Science

**Clubs and extracurriculars:** Band, Choir, Drama Club, Music

## Community

Weymouth is located on the Dorset coast in the South of England and is known for its beaches, harbour and outdoor leisure opportunities. Students can enjoy coastal walks, cafés, shops and weekend activities by the waterfront. The area is a popular destination for sailing and was the host site for the London 2012 Olympic and Paralympic sailing events. The town offers a safe, relaxed environment with strong transport links to nearby cities.

## Climate

Mild southern climate with cool winters and warm summers. Average temperatures range from 3°C in January to 21°C in July, with moderate rainfall throughout the year.
