OUTSTANDING VARIETY OF COURSES AND ACTIVITIES, PLUS GREAT SUPPORT FOR INTERNATIONAL STUDENTS!

The historical maritime city of Southampton offers the best of city life within easy reach of beautiful English countryside and the coast. Itchen College is nestled in the suburbs, allowing for a sprawling campus with lots of outdoor space for students to play sports, relax and socialise. Academically one of the best performing colleges in the area, Itchen College boasts a 100% A Level pass rate with an impressive 67% of students achieving grades A*-B in their final exams.

The college offers a variety of 50 different subjects including both the traditional academic options and career focused subjects. Learning is supported by high level technology and the very best of facilities, including industry standard science laboratories, bespoke art studios and modern and interactive classroom spaces. For sport lovers, Itchen College campus features a full fitness suite, climbing wall, sports hall and outdoor football and netball pitches. There are multiple recreational sports teams for students and for those more serious athletes, a wealth of Sports Academies.

Students at Itchen College are supported fully by their personal tutor. The college's High Performance Academy provides those students with particularly high aspirations with additional stretch and challenge activities and support for developing strong university applications.

SOUTHAMPTON

Located in the south of England, in the county of Hampshire, Southampton lies at the mouths of the rivers Test and Itchen and boast one of the world's largest natural harbours.

Southampton is a lively and a modern city with a strong connection to the sea. With its historic port along with galleries and museum, it offers plenty of activities, a fascinating history to explore and amazing natural parks. The 326 acre Southampton common and the Itchen Valley are the most iconic natural places for students wanting to spend time in nature, offering great hiking and biking.

International students choosing to live in Southampton will enjoy a lot of exciting activities in their spare time. Southampton, with its sunny weather and beautiful beaches, is the perfect place for international students looking for an exciting and sunny place to study.

SPECIALIST ACADEMIES

Itchen College offers students a range of excellent academy opportunities across a range of disciplines. The college runs specialist sports academies in Athletics, Badminton, Basketball, Football Golf, Netball, Rugby, Fitness centre plus a Performing Arts Academy and a Science Academy.

These academies are designed to further students' talents by providing them with additional coaching and mentoring in their chosen field whilst they attend college and gain academic qualifications. Academy students have progressed to play for top sports teams and attend prestigious universities.

WHY CHOOSE ITCHEN COLLEGE?

OUTSTANDING SUPPORT FOR INTERNATIONAL STUDENTS

Itchen College has a dedicated International Team and a dedicated Welfare Team who support international students throughout their stay at the college, ensuring they settle into the college community with ease.

STATE-OF-THE-ART FACILITIES

The college boasts amazing facilities all on the same site, so students can access a range of activities without having to travel to different locations. The facilities on offer include a fantastic modern gym, numerous science laboratories, a recording studio, a newly laid football pitch, a radio station and a soundproof performance room along with a music technology suite. For

students interested in dance and photography, the college offers a dance studio with a sprung floor and a textile studio along with a graphic suite.

FLEXIBLE COURSE OPTION

With hundreds of course combinations to choose from, students at Itchen College are spoilt for choice! It's possible to mix and match A Level and BTEC courses and study an eclectic combination of disciplines at the same time. Students can even pick up GCSE English and Maths as a way of boosting their learning and gaining extra qualifications during their stay.
