Campus Facilities

Mt. Bethel Christian Academy occupies a 76-acre campus with dedicated spaces for academics, athletics, and the arts. Facilities include STEM laboratories, technology-equipped classrooms, athletic fields, and performance spaces. Classrooms integrate modern instructional technology, supporting collaborative and project-based learning. Outdoor areas provide room for athletics and school-wide activities, contributing to a balanced and engaging student experience.

Athletics and Arts

Athletics play an important role at Mt. Bethel Christian Academy, with students competing in the Georgia Independent School Association. Programs emphasize teamwork, discipline, and competitive growth across multiple sports, with consistent participation in regional tournaments.

The arts program includes visual arts, music, and performing arts, giving students opportunities to develop technical skills and creative expression. Theater and music productions are central parts of campus life.

Climate in Marietta

The region has a mild climate with warm summers and generally moderate winters.

"I have enjoyed my time at MBCA. The school is a very close community. The teachers are very invested and connected to their students. School spirit is high, and it is so fun to watch our teams play."

Student

"Strong academics, nurturing culture, authentic Christian worldview, exciting vision as school continues to grow. Love it here!"
