Campus Facilities

The campus includes dedicated upper school learning spaces designed to support both academic and extracurricular programs. Students have access to **science classrooms, fine arts areas, and specialized learning environments** that support hands-on and project-based instruction. Athletic facilities accommodate a wide range of team sports and training needs. The school also maintains spaces for arts instruction, including music and performance, supporting balanced student development across academic, athletic, and creative disciplines.

Athletics and Arts

Athletics play a central role in student life at Lafayette Christian School. Teams compete regularly at the state level, with a history of championship performance in several sports. The athletic program emphasizes teamwork, discipline, and consistent skill development within a moderately competitive environment.

The arts program supports creative exploration through both visual and performing arts. Students participate in structured courses and competitive events at the local and state levels. Programs encourage technical skill development as well as public performance and exhibition experience.

Climate in LaGrange

LaGrange, Georgia experiences warm summers and mild winters.

"Football is over, but some aspects I'll really miss. I made friends I never thought I would have. Football is a big instigator for a movement of Christian leaders in my school. The character building aspects of the sport totally rock."

Student

"During my time at LCS, I learned that memorizing something is not the same as learning something. I'm proud to say that LCS encouraged me to ask questions without fear!"
