## SCHOOL PROFILE

Just a 20-minute train ride from Boston, St. Mary's Lynn is located in the historically and culturally diverse city of Lynn, Massachusetts. St. Mary's is a co-ed school that prepares students both academically and personally for their future.

### FACILITIES

Campus facilities were built from the ground up by those who wanted a better life for their children. Our now urban campus offers 8 dedicated STEM and science labs, a technology lab, and 1:1 digital learning to encourage students to be expert users of technology.

### SPORTS AND ARTS

St. Mary's students are actively involved in Athletics, with almost 70% of students participating in sports, including international students. St. Mary's fields teams in 21 sports that compete in the Catholic Central Leage. They have championship athletics with 22 state titles and at least one state championship in the last 14 consecutive school years.

Unique arts opportunities at St. Mary's include Advanced Art, Music Appreciation, Music Theory, and opportunities to participate in Band, Chorus, and Drama Productions.

### AWARDS AND ACCOMPLISHMENTS

St. Mary's is accredited by the New England Association of Schools & Colleges Inc. which is the nation's oldest regional accrediting association whose mission is the establishment and maintenances of high standards for all levels of education. In 2015, St. Mary's completed a rigorous NEASC accreditation study process where they were awarded their NEASC accreditation.
