SCHOOL PROFILE

Through a strategic partnership with the International Development Academy, a worldwide leader in international youth soccer programs, the DME Academy soccer programs are perfect for aspiring athletes. Our soccer-specific platform focuses on the development of a player's technical, tactical, physical, and psychological characteristics. Through our comprehensive programs, players will be challenged with a pathway that aims towards values of respect, resilience, empathy, teamwork, and sportsmanship.

FACILITIES

With state-of-the-art facilities, access to both grass & turf fields, elite training programs, and coaches, the soccer program gives student-athletes all the tools needed to excel on and off the pitch. In addition, they have personalized learning programs to each student's needs. They offer 127 courses, 10 AP courses, and 41 electives. Each student and their parent also have access to their individual 360 Player profiles. This integrated platform provides the student-athletes the access to calendars, video analytics, player assessments, wellness assessments and more!

SPORTS

DME Academy has 12-15hrs a week of training which includes a 10-Month progressive training and development program, Performance Program with S&C, and a Nutrition and Video Analysis to ensure top performance and care. In addition to the independent competitive schedule, the team will compete in various college and international showcase events throughout the Winter and Spring seasons. At times, individual players will have the opportunity to guest play at additional tournaments and events through IDA.

AWARDS AND ACCOMPLISHMENTS

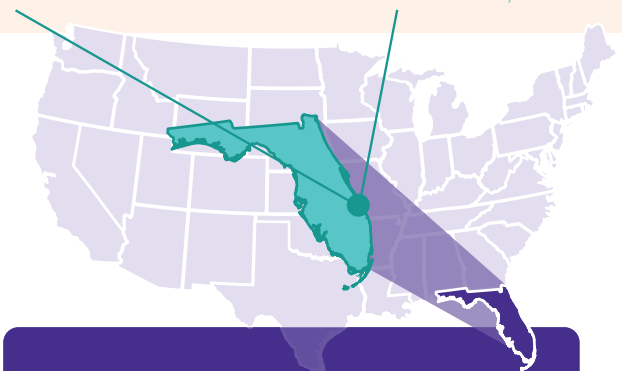

They continue to have multiple students sign professional athletic contracts following their time at DME academy. Their academic partners include the NCAA, NAIA, Premier League, and more!
