SCHOOL PROFILE

The Doane Stuart School is an independent, coed day school that provides a rigorous college preparatory course of study. Each year Doane Stuart enrolls 100% of the graduating class in colleges and universities. Doane Stuart chooses to be small, with a student/faculty ratio of 7/1 and an average class size of 15.

FACILITIES

The school is situated on 27 acres with spacious classrooms and sports fields. In May of 2014, Doane Stuart began construction on a 22,000 square-foot vegetative roof. The roof reduces stormwater runoff, improves insulation and decreases energy use and expenses. As such, the green roof is yet another example of their commitment to sustainable practices.

SPORTS AND ARTS

Doane Stuart international students are encouraged both to participate and to take leadership roles on athletic teams. Their athletics program is designed to help their athletes hone skills, develop resilience, and practice the best of teamwork.

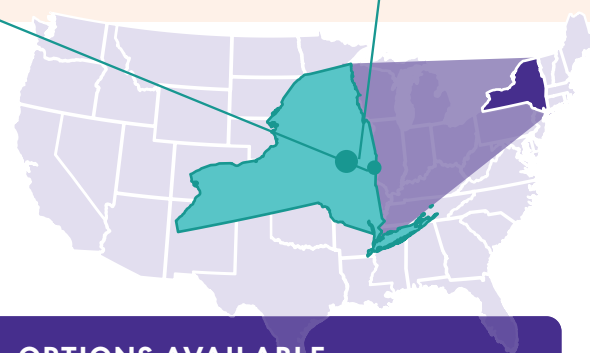

Doane Stuart offers unique art courses, perfect for trying something new.

COMMUNITY INFORMATION

The town of Rensselaer is located in a suburban area just minutes from our international airport, rail and bus stations. The state capital of Albany is only three miles from the school. There are many museums, outdoor activities - ski slopes, disc golf, hiking trails, restaurants and shopping centers very close nearby. With more than a dozen colleges within 30 minutes of the school, higher learning is very accessible.
