

Private School

"My CHS story involves three things: passion, courage, and excellence... This resulted in solos, competitions, theatrical performances, and ultimately, The Jimmy Awards. If it were not for my teachers, who actively saw my potential, I would never be where I am now."
 Jazhel Arostegui,
 graduated student

Academic Excellence

Christian Heritage School offers a college-preparatory curriculum with Advanced Placement courses across mathematics, sciences, humanities, and social sciences. Instruction emphasizes critical thinking, discussion-based learning, and project-based work. Small class size allows close academic support and individualized guidance. Faculty members hold subject-area qualifications and guide students through a structured college advising program beginning in high school. Graduates consistently earn admission to a wide range of public and private universities across the United States, reflecting the school's strong academic preparation and emphasis on readiness for postsecondary study.

Student Accomplishments

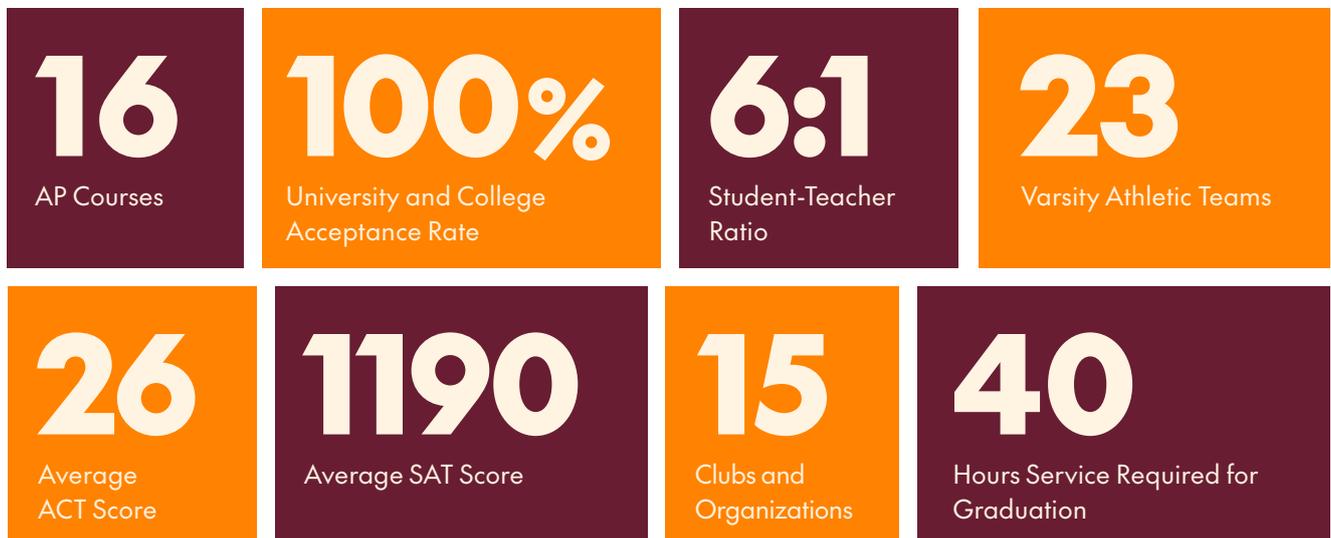

- AP Scholars and AP Scholars with Honors recognized annually
- State championship titles in multiple athletic programs
- National Honor Society membership and academic distinction awards
- Students recognized through Georgia state academic merit programs.

Stats

Campus Facilities

The school is set on a campus of more than 100 acres, providing ample space for academics, athletics, and outdoor activities. Facilities include modern classrooms, science and technology learning spaces, visual and performing arts areas, and dedicated athletic training environments. Outdoor fields and recreational areas support a wide range of sports and physical education activities, allowing students to balance academic study with co-curricular involvement.

Athletics and Arts

Athletics play an important role in student life, with teams competing at the state level and earning multiple championship titles. Programs emphasize teamwork, discipline, and long-term athlete development across seasons.

The arts program includes visual and performing arts with regular student productions and exhibitions. Students can pursue music, theater, and studio arts as part of their academic pathway.
