### TOP INDEPENDENT SCHOOL IN THE CITY OF CAMBRIDGE

The Leys School is a prestigious Private Boarding School in the heart of Cambridge. Established in 1875, The Leys 50 acre campus is situated close to the University of Cambridge, providing an inspiring environment for students to learn. The exterior of the school may be grand and traditional, but the classrooms inside are high tech, bright and spacious. Students benefit from state-of-the-art technology to support their learning and teachers possess a wealth of experience. The pastoral support on offer to students is exceptional and as a result, students feel confident and listened to. It's no surprise that the value-added score of The Leys is amongst the best in the country.

The school recently won The Times Education 'East Anglia Independent School of the Year Award' in recognition of their success. The Independent Schools Inspectorate also recognise that, at The Leys, students' academic achievements are excellent. In addition to academic success, the school offers a huge range of extracurricular activities and sports. The grounds include multiple tennis courts, flood lit pitches, cricket nets, an indoor sports centre and a 25m swimming pool. The Leys' arts and music programmes are second to none with a dedicated Music School, a fully functioning theatre and a range of performing arts spaces.

The Leys School is the perfect destination for academically focused students who are passionate about trying something new and becoming an integral part of an inclusive and supportive school community.

## BOARDING AT THE LEYS

The majority of students at The Leys are also boarders. The boarding houses are modern and bright, and inter-house competitions within sports, arts and music encourage a sense of identity and belonging. Boarders benefit from all of the schools' main facilities as well as communal games rooms, relaxation spaces and shared study areas within their houses.

The important theme of community filters through every aspect of life at The Leys and the boarding houses are no exception. Students each have responsibilities within their house and take part in activities each evening with their fellow boarders. At weekends, boarders have the opportunity to explore their unique location in the heart of historical Cambridge and have access to exciting trips further afield.

## MUSIC AND PERFORMING ARTS

The Music School was opened in 2005 by Julian Lloyd Webber and students are encouraged to take part in music in some form during their time at The Leys. Individual lessons can be arranged and a huge range of orchestras and ensembles are offered. There are two large music competitions run annually and both an end of year concert and a music festival too! For enthusiastic musicians, the school welcome a number of professional artists to offer masterclasses each year. Recently, they welcomed Apollo5, VOCES8 and Oompah Brass, all of whom run workshops for students to help them develop their skills.
