### ACADEMICALLY EXCELLENT GIRLS' SCHOOL LOCATED CLOSE TO THE CENTRE OF CORK CITY!

Presentation Secondary School Ballyphehane is tremendously proud of its history, tradition and past achievements. The school provides a happy, inclusive and positive learning environment set against an atmosphere of mutual respect and dignity for all.

Students at the school are part of a progressive culture where teachers have a focus on knowing each student personally and small class sizes allow teachers to maximise each individual student's learning and progress. Teachers at the school are dedicated and dynamic and inspire each and every student to succeed. Modern teaching methodologies are embraced, with a focus on interactive learning.

The school prides itself on being able to cater for both exceptionally able students and those with additional needs, through a full and varied set of supports. In addition to receiving an excellent education in the classroom, girls at Presentation Secondary School Ballyphehane also enjoy a broad range of extra-curricular activities and opportunities delivered by expert teachers and sports coaches.

## CORK

Cork is Ireland's second largest city and boasts all the character, charm and excitement of the capital in a more compact setting. It is often referred to as 'the real capital of Ireland' by locals! Situated on the banks of the River Lee, the historic city centre offers fantastic cultural and shopping opportunities as well as lots of exciting things to do and places to explore. The city is truly the perfect blend of cosmopolitan city life and a traditional homely Irish atmosphere, making

it a hugely popular choice for international high school students. Beyond the city limits, students can explore the wider county of Cork- Ireland's biggest county. With its beautiful coastline, delicious food and picturesque colourful towns and villages, it's no wonder that the locals are fiercely proud of where they come from and are eager to welcome exchange students and introduce them to the Irish way of life.
