

Getting to know Dunkerque

Dunkerque is a city in the north of France, located on the coast of the North Sea. It is the second largest city in the northern area , after Lille. Dunkerque is known for its port, its carnival and its historical past. Today, it is an important economic and cultural center as it houses many museums, historical monuments and other cultural attractions. Dunkerque is a pleasant city to live in. It has beautiful beaches, many parks and gardens and a lively cultural life. A strong international student community is present, coming from Europe, North America and Asia. The city offers many activities and services for students, such as welcome centers, libraries, gyms, and multiple coffee shops. Dunkerque also houses many student associations, which offer activities and events for students of all interests.

Notre-Dame-des-Dunes High School is a private Catholic high school located in Dunkerque, in the north of France, founded in 1874. The school welcomes students from the sophomore to the senior year, and offers a general, technological and professional education.

It's a small school, with an average of 562 students. The teaching is provided by an experienced and passionate teaching staff, who are committed to supporting students in their academic and personal success.

The high school offers a wide range of sports, cultural and artistic activities. Students can also participate in many projects and solidarity initiatives.

Students can benefit from an environment rich in resources, and personalized support. Notre-Dame-des-Dunes High School is an excellent option for students who are looking for a quality education in a family and caring environment.
