SHEFFIELD

As a city with two universities, Sheffield is a fantastic place to live as a student. The city centre is always bustling and there are plenty of cultural and music events held throughout the year. Due to its position in the centre of the north, Sheffield is also a great hub from which to travel out and explore other major cities including Manchester, Liverpool, Birmingham and Leeds. Transport links are excellent and getting to college is made simple by the fact that the college has its own tram stop!

If you want to escape the city for some fresh air and peace, the Peak District, one of the UK's favourite hiking and biking destinations, is on your doorstep.

Basketball Academy

The Sheffield College Basketball Academy has had success both regionally and nationally. They offer a Men's team and a Women's team – both are part of the college's Elite Sports Academy. The teams compete against colleges, universities and other basketball academies and are a part of the AoC Yorkshire and Humber league and the Elite Academy Basketball league, the highest level of school sport in the UK.
