"Learning together in faith and service"

When can I start my SHSM

The SHSM is open to all students. Entry should occur prior to a student's grade 11 year, with special emphasis on scheduling a two credit co-operative placement in the aviation sector.

What skills and certifications will I learn?

Earn six of these compulsory and additional certifications:

- Standard First Aid
- Elevated Work Platform
- CPR (Level A)
- Environmental Spill
- WHMIS Certification
- Propane Safety
- Confined Space Awareness

What courses do I need?

Whether you are going to university, college, the world of work or becoming an apprentice, there is a course choice for you. Refer to the pathway chart below to help you select courses that are right for you.
